- Why do we drive on parkways and park on driveways?
- Why don't British people sound British when they sing?
- Why are you "in" a movie, but "on" TV?
- Why are there no "B" batteries?
- Why do people say, "heads up" when you should duck?
- Why do "fat chance" & 'slim chance" mean the same?
- Why do we press harder on a remote control when we know the batteries are getting weak?
